

Schnuck Markets, Inc.

Contractor Policies and Rules

- No glass allowed into the facility
- Cords and hoses are not allowed on the floor. They are to be hung overhead or covered with proper ANSI / OSHA approved anti-trip covers.
- Hanging tarps or portable barriers will be supplied by the vendor/contractor if the possibility of flying debris or disruption of environmental contaminants is probable.
- Vendors and contractors will follow all OSHA regulations. If your company cannot comply, you will be asked to cease work until the infraction is corrected.
- Lock-Out / Tag-Out procedures must be used by all vendors / contractors.

Company Equipment:

- Equipment owned by Schnuck Markets, Inc. can be used if the following documents are provided:
 - Documentation and/or License for specific equipment being used
 - Documentation and/or License must be valid and current

Environmental Occurrences:

- In the event an Emergency Evacuation is required (e.g., Fire / Earthquake / Gas leak) please do the following:
 1. Listen to the evacuation proceeds announced over the P.A. System
 2. Calmly proceed to the safest and nearest exit
 3. Proceed to the designated assembly area on the West Parking Lot
- In the event of a Tornado warning (announced over the P.A. System) please do the following:
 1. Proceed to the designated "Tornado Assembly Area"
 2. Decorator Room located in the North Interior of the Plant (next to the Blast Freezer).

Chemicals

- Chemicals brought into the facility "Must" be marked clearly in their designated container and "Must" be removed from the jobsite at end of day and upon job completion.
- Chemicals brought into the Facility by Contractors should be documented by the chemical description, amount brought into facility, amount left upon completion of job.
- MSDS (SDS) must accompany the chemical brought into the facility

List all chemicals you will be bringing into the facility:

| List # | Description | Do you have a MSDS for this chemical? |
|--------|-------------|---------------------------------------|
| 1 | | |
| 2 | | |
| 3 | | |
| 4 | | |
| 5 | | |
| 6 | | |
| 7 | | |
| 8 | | |
| 9 | | |
| 10 | | |

I agree to the SMI Contractor Policies and Rules
