

CHARITABLE DONATION APPLICATION

Please note that Schnucks requires no less than 90 days of advance notice to properly evaluate and process all requests. If your request is approved, the Schnucks Community Engagement team will contact you in the month prior to your event to finalize the details.

What kinds of donations does Schnucks provide?

The vast majority of our donations are in the form of a gift card or product from our stores. Our typical donation is in the form of a \$25 gift card that can be used for a raffle/silent auction item, or put towards the purchase of product/s (such as bottled water or fresh fruit) to be used at your fundraising event. We also have a grocery bag partnership program for our supported food pantry agencies.

Please be aware that we only consider requests from 501(c)(3) nonprofit organizations and first responder units who provide emergency services to our store locations. There are also certain types of events and donation requests that we do not support:

- Requests for cash, grants, or monetary sponsorships
- Requests for alcohol donations
- Requests for flowers or flower arrangements
- Requests supporting political events, golf tournaments, galas, celebration / appreciation / recognition events, seminars, conferences, workshops, or reunions
- Fundraisers or benefits for individuals/families and/or events in memory of individuals/families (We can, however, support qualified 501(c)(3) agencies that may be working to provide assistance to those individuals/families.)
- Third-party fundraisers

ORGANIZATION QUALIFICATION (required)

We only consider requests from 501(c)(3) nonprofit organizations and first responder units who provide emergency services to our store locations,

Is the organization an IRS designated and registered 501(c)(3) nonprofit?
